

## **HOME PROPERTY OWNERS ASSOCIATION CONSENT TO RECEIVE ELECTRONIC COMMUNICATIONS**

Per Washington State law in RCW 64.38, Association members who wish to receive notices of Association meetings via electronic communication must provide a written record consenting to receive electronically transmitted notices. An owner may revoke the consent at any time by providing a written record of the revocation.

When you agree to receive electronically transmitted communications, you are agreeing to receive the following types of communications electronically:

- Notices of Special and Annual Association membership meetings;
- Notices of regularly scheduled and special Board meetings;
- Notices of general interest to the Association membership;
- Any other information related to the activities of the Board and of Association business

We will deliver electronically transmitted communications by sending the communications to an email address that you have provided to us. You agree to provide us with a valid email address and to promptly notify us of any changes to your address.

If two consecutive attempts at electronic communication are returned as undeliverable, the consent to receive electronic communications will be deemed revoked.

This form may be used to provide consent for receipt of electronically transmitted notices. Please deliver this form to a member of the Board of Directors, or mail it to the Association at:
